

Recently Governor Greg Abbott announced a repeal of the statewide mask mandate effective Wednesday, March 10th. We at Arlington South Self Storage and U-Haul in order to continue to ensure your safety as well as ours have decided to continue requiring a mask to be worn at all times when you are in our office as well as maintaining the 6 foot social distancing policy that has been in effect since the onset of the coronavirus pandemic.

When the CDC and the medical community says that it is safe to discontinue these policies then we will be more than happy to go back to pre mask days. But for now let's keep doing what we have been doing to make sure we are all safe.

If you want service without wearing a mask then go to our side window that has the U-Haul key drop. That will allow us to serve you without you having to wear a mask.

For our storage customers you can rent or reserve a unit or make payments by visiting our website at arlingtonsouthstorage.com. Of course, you are always welcome to call us or use the night drop in the office window for storage payments.

If you have any questions please feel free to contact us at (817) 465-5338.
